

**Species List – Callide Valley Landcare Group**  
**Auuthorised Propagator- WIPQ00307402**  
 PO Box 225 , Biloela, 4715 Ph 4992 4292 / 4992 3894

NUM	Atriplex nummalarea	Old Man Saltbush
FAS	Acacia fasciculifera	Scrub Ironbark
FIM	Acacia fimbriata	Fringed Wattle
HARP	Acacia harpophylla	Brigalow
PEN	Acacia pendula	Weeping Myall
POD	Acacia podalyiifolia	Queensland Silver Wattle
ACUN	Araucaria cunninghamii	Hoop Pine
HEMI	Atalaya hemiglauc	Whitewood
BV	Baeckia virgata	Twiggy Baeckia –white
ACER	Brachychiton acerifolius	Flame Tree- Red
AUST	Brachchiton australis	Broad Leaf Bottle
BID	Brachychiton bidwillii	Pink Flowering Kurrajong
POP	Brachychiton populneus	Kurrajong
RUP	Brachychiton rupestris	Bottle Tree
INJ	Callistemon injune	Injune Pink
PA	Callistemon pachyphyllus	Green Bottlebrush
PHOE	Callistemon phoeniceus	Scarlet Bottlebrush
POL	Callistemon polandii	Red Bottle Brush
SAL	Callistemon salignus	Willow Bottlebrush-cream
LEM	Callistemon salignus	Willow Bottlebrush-lemon
TIN	Callistemon recurvis	Tinaroo Bottlebrush- Dark Red gold tip
VIM	Callistemon viminalis	Weeping Bottle Brush
SR	Callistemon spp	Small Weeping Bottlebrush
CR	Casuarina cristata	Belah
CUNN	Casuarina cunninghamiana	River Oak
GL	Casuarina glauca	Swamp she-oak
CIT	Corymbia citriodora	Lemon Scented Gum
PTY	Corymbia ptychocarpa	Swamp Bloodwood
TESS	Corymbia tessellaris	Moreton Bay Ash, Carbeen
TOR	Corymbia torelliana	Gadaghi
VAR	Corymbia variegata	Qld Spotted Gum
A	Eucalyptus argophloia	Chinchilla White Gum
BR	Eucalyptus brownii	Brown's Box
CAMB	Eucalyptus cambageana	Dawson Gum
C	Eucalyptus camuldulensis	River Red Gum (Blue Gum)
CH	Eucalyptus chloroclada	Baradine Gum
COOL	Eucalyptus coolabah	Coolibah
CR	Eucalyptus crebra	Narrow Leaved Iron Bark
CUP	Eucalyptus cupularis	Hall's Creek White Gum
DEC	Eucalyptu decorticans	Gum Topped Ironbark
EX	Eucalyptus exserta	Qld Peppermint
M-UCA	Eucalyptus melanoleuca	Nanango Ironbark
MELA	Eucalyptus melanophloia	Silver Leafed Ironbark
MELL	Eucalyptus melliodora	Yellow Box
MOL	Eucalyptu moluccana	Grey Box
OCH	Eucalyptus ochrophloia	Yapunyah
ORG	Eucalyptus orgadophila	Mountain Coolibah,
PACH	Eucalyptus pachycalyx	Pumpkin Gum

All species are native to/or  
Queensland natives common  
in the Fitzroy Region

- **\$5c** each to Landcare approved farm projects or Landcare Projects within the Dawson Region (pots to be returned)
- **\$1.10** each to non-project and tagged species
- Orders must be over 24 plants
- Please return pots if possible

PLATY	Eucalyptus platyphylla	Poplar Gum
EPOP	Eucalyptus populanea	Poplar Box
RAV	Eucalyptus raveretiana	Black Iron Box
SH	Eucalyptus shirleyii	Shirley's Iron Bark
ST	Eucalyptus staigerana	Lemon Scented Ironbark
S_X	Eucalyptus sideroxylon	Mugga Iron Bark- Pink
TEN	Eucalyptu tencuipe	Narrow Leaved White Mahogany
TE	Eucalyptus tereticornis	Blue Gum (Forest Red Gum)
THOZ	Eucalyptus thozetiana	Mountain Yapunyah
WH	Eucalyptus whiteii	White's Ironbark
URAP	Eucalyptus urophylla	Timor Mountain Gum
FA	Flindersia australis	Crow's Ash
ROB	Grevillea robusta	Silky Oak- orange
LONG	Lomandra longifolia	Long Leaved Mat Rush
CAR	Lysophyllum carronii	Red Bauhinia
HOOK	Lysophyllum hookerii	White Bauhinia
ARM	Melaleuca armillaris	Bracelet Honey Myrtle
BR	Melaleuca bracteata	Black Tea Tree
DEAL	Melaleuca dealbata	Silver Paperbark
ERIC	Melaleuca ericifolia	White Flowering Melaleuca
ERUB	Melaleuca erubescens	Mauve Honey Myrtle
HYP	Melaleuca hypericifolia	Red Flowering Paperbark
LEU-F	Melaleuca leucodendra-Fine	Weeping Tea Tree- Fine Leaved
LEU-B	Melaleuca leucodendra-Broad	Weeping Tea Tree-Broad Leaved
STY	Melaleuca styphelioides	Prickly Paperbark
LIN	Melaleuca linariifolia	Flax Leaved Paper Bark
TAM	Melaleuca tamarisana	Weeping Paperbark
TR	Melaleuca trishostachya	Fine Leaved Paperbark
VIRID	Melaleuca viridiflora	Broad Leaved Paperbark
TIM	Pleigonium timorensis	Burdekin Plum

Some species have been propagated in considerable numbers while only a few plants of others have been propagated. We have concentrated on those most suited for stock shade, windbreaks, erosion and salinity control and farm and millable timber but there are a few ornamental species suitable for gardens.

Not all species will always be available and it is best to include substitutes with orders or inquire by phone (07) 4992 4292 to see which are available.

*Due to Environmental Protection Agency requirements for Authorised Propagators, the Eucalyptus argophloia, Eucalyptus raveritana and Brachychiton spp require an identifying tag.*

***Please store the tag as proof of purchase from an authorized source.***
